

THE JIGSAW COMPLIMENTREE

COMPLIMENTS & COFFEE

Good things grow when we say them out loud.

Cut out a leaf, write a compliment, thank-you or positive message for someone, and add it to your ComplimenTree. You can create a simple tree on a wall or noticeboard as the centre of your display, then add your leaves as the messages grow. Together, you'll create something full of the good stuff we sometimes forget to say.
